Dear Joel's Place Supporter,

This year, due to COVID-19, we are not hosting our annual in-person fundraiser, Joel's Place's largest source of revenue through the entire year. In lieu of the event we are holding a campaign called No One Alone, and hoping we can make just as much an impact virtually. **We invite you to become a sponsor of our No One Alone campaign and help us show our grieving children and families that they are Not Alone.**

Joel's Place for Children is a 501(c)(3) non-profit organization that provides grief support for school-aged children and their families who have experienced the death of someone special in their lives. We continue to support our families, even though we do not currently meet for in-person groups. In addition to emails with activities and phone calls we have sent supplies for a Joel's Place evening "OnDemand", including custom expressive arts activities and pizza gift cards. We also added numerous resources to our website to aid more grieving families. In-person groups will resume when we feel it is safe for our children, families and volunteers. **Grief support is needed, and it cannot be cancelled.**

Your company receives additional exposure this year with increased digital marketing from Joel's Place during the campaign. Sponsorship levels are 100% tax-deductible.

We hope you will join us virtually to help the children of Joel's Place!

Sincerely,

Becky Verner
